4 rooms	from 500.000€

La Cala de Mijas is well-connected to the Autovía A-7 (also known as the Autovía de la Costa del Sol) and has easy access to the AP-7 toll road. It's located 20 minutes from the Málaga- Costa del Sol International Airport; 30 minutes from the María Zambrano station, if you need to catch a high-speed (AVE) train; 15 minutes from the historical quarter of Marbella; and a mere 20 minutes from Puerto Banús. You can get to the airport via bus or taxi at any time.

We offer you flexibility and numerous options when it comes to customizing your house. Whatever design you envision, we'll make it happen. To do so, we'll place a specialized customization team dedicated to accompany you during every stage of your relationship with us.

Options for your home:

- Change in layout (except in facade, wet areas and kitchen)
- Ranges of finishing touches: Choose among 3 distinct ambiances which – with their different flooring, interior woodwork and wall colors – will make your home a reflection of your style.
- Installation of a bidet in the main bathroom: it's up to you.

Extras for your home:

Installation of heated flooring in the bathrooms.

Air Conditioning Package: Installation of zoning systems

Bathroom Package:

Shower enclosures.

Premium bathroom fittings

Home Automation Package:

Control of lighting, air conditioning, entry and sound.

Alarm system.

And other Premium offers:

Changes in layout that require additional charges.

Interior/exterior furnishing with personalized attention and advisement from the decoration services of El Corte Inglés.

Chill out zone, barbecue area and a pool area in the solarium.
